Send completed form to: timothy.s.connolly.naf@mail.mil

Required Waiver of Liability and Release Information

On behalf of myself and the entire group participating in the 2021 BHR Auto Skills Car/Bike Show, I assume all risk of bodily injury, property damage and personal damage that may occur by participating for myself/ourselves, their heirs, executors and administrators, and do hereby forever waive and release any and all claims against and agree to hold harmless the Baumholder Auto Skills, USAG Rheinland-Pfalz, and the United States Government, It's Committee, sponsors and volunteers, with their respective officers, employees, agents, representatives, volunteers, successors or assigns of any kind, from all claims which may be made for any cause whatsoever arising as a result of participation in the 2021 BHR Auto Skills Car/Bike Show.

Further, I hereby consent to allow my picture or likeness to appear in any official document, news release, sponsor advertisement, and/or television/radio coverage of the events within or as part of the Baumholder Auto Skills Car/Bike Show and grant permission to use and/or publish photographic portraits or pictures, video tape or film of me in which I may be included in whole, part, composite, or reproductions thereof in black/white and/or color or otherwise made through any media now known, for art, advertising trade or any other similar lawful purposes whatsoever, including the publicity and promotion of this event itself, excluding commercial use of or by marketing sponsors.

I understand and agree to the policies in place and provided to me now and at the time of the event. After registration I will be assigned a position at the Car Show and understand that, upon entering the event, area movement is restricted to authorized areas only. Movement from my position and setup is only authorized between 0830-0930 on the day of the event. Ground guides are required during any movement onto or off of the event area. After the event, each vehicle will be given a drive-off time and be escorted off the installation. Movement of the vehicle is a safety concern, therefore, unauthorized movement is strictly prohibited.
